What is Daraz?

"Daraz is the leading online marketplace in South Asia, empowering tens of thousands of sellers to connect with millions of customers."

OK, but what is Daraz REALLY?

"Daraz is a Mall, a Marketplace, and a Community in your pocket"

We provide immediate and easy access to **4 million products** in more than 100+ categories.

More than **2 million Pakistanis** use Daraz every day.

We deliver more than **1 million packages** every month to all corners of Pakistan.

We have created **50,000 jobs in Pakistan**, and every month 2,000 new sellers are educated through our university.

What changed in 2018?

EVERYTHING....

A new and **Personalised App giving** each user a unique experience.

DarazMall was introduced for users to follow their favourite brands with premium quality and service level.

Global Collection for our customers who like to shop from abroad.

Top-ups & E-store for convenience and a Voucher Module for the deal hunters.

Daraz Wallet for easy payments and instant refunds.

Message Center to keep all your information in one place.

Q&A feature to allow customers and sellers to interact freely.

...and many more innovations to come in 2019!

"Daraz is a University for Entrepreneurs"

"20,000 sellers have been educated on e-commerce operations through Daraz University"

With Daraz BootCamps, you can learn to manage your shop and increase sales!

Every month we educate 2,000 new sellers...

daraz

...and provide advanced online and offline training courses to our existing sellers.

"Logistics is a challenge because the ecosystem in Pakistan is not digitalised and integrated.

To overcome this challenge, we have built Pakistan's first logistics company specifically designed for e-commerce operations."

DEX already has ~1,000 riders in 30 cities for faster and better delivery service (including much better tracking and visibility).

Today, we do more than 55% of all Daraz deliveries through DEX and delivery time is 1-2 days faster than with external partners.

We are helping existing and new logistics providers digitalise (large and small).

You will recognize DEX by the orange uniform...

HOW TO SHOP?

Can you deliver in 1 day?

Yes! But only for selected products

For grocery products that you need fast, we operate 30 hubs across the country that provide a One-Day Delivery service.

Use the City filter to find products available for One-Day Delivery in your city (more to come!)

For our Premium Service **"Fulfilled by Daraz"**, we operate 4 major warehouses in Karachi, Lahore and Islamabad

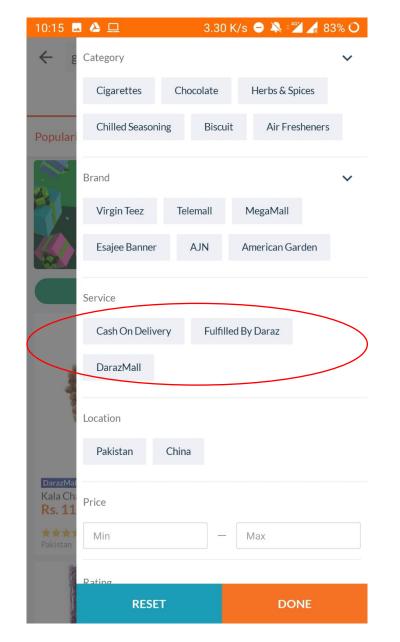

"Fulfilled by Daraz" means that the product is shipped from one of our own warehouses.

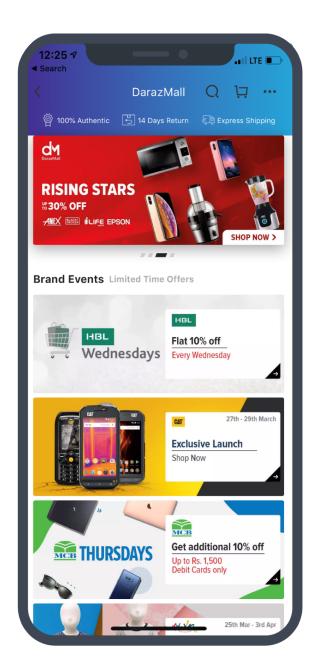

For fastest delivery and quality assurance, we always keep the top ~30% selling products in our KLI warehouses.

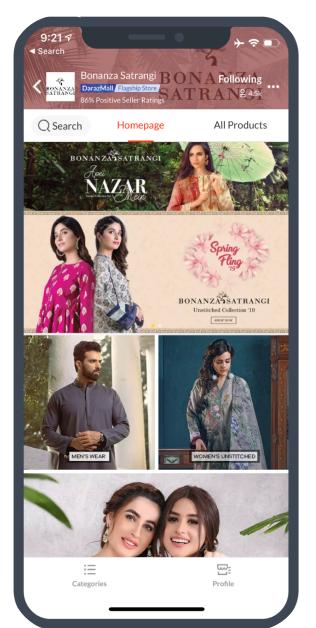

Use the filters to select the service level designed for your needs.

daraz

"DarazMall is the doorway to our top trained sellers that are committed to top-quality products, express shipping and a 14-day return policy"

"With thousands of marketplace participants, our most important job is to make sure the customer is always protected.

We work hard to minimise mistakes, but when they do happen, we make them 100% right!" "Technology and Seller Education are the keys to create a daraz safe and happy shopping experience for our customers"

All of our sellers are educated through Daraz University where we put a big weight on appropriate pricing, product quality and service levels.

Our technology allows us to monitor price inflation and irregularity instantly. Sellers that falsely increase prices are strictly penalised or delisted.

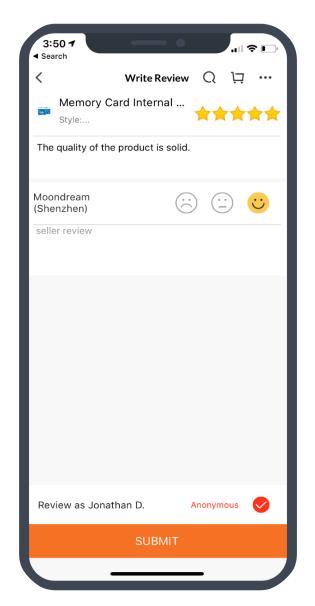

Our App is designed so that Sellers that offer the the best prices, best customer service levels, and fastest delivery automatically get the most visibility on our App.

"Refunds for returned products have always been one of the major pain points for customers because funds have to go through multiple banks to reach the customer's account.

With the Daraz Wallet, we have made the refund process instant and convenient.

Customers can also use the wallet to collect vouchers and make online payments with maximum security and convenience."

"Purchase Protection is the biggest commitment we give to our customers"

At Daraz, we take pride in ensuring our buyers' privacy and also safeguard them against frauds, tricks and other deceitful sellers.

Genuine Products

We have made it to our mission to offer only genuine products in the original packaging on Daraz. We work hard to provide you with the largest selection of authentic and brand new products at the highest quality.

Where do we go from here?

Here is a look at our Mission together with some of the ambitious targets we have set!

Our Mission:

"Make it easy to do business anywhere in the era of the digital economy"

"We firmly believe that the digital era is on par with the Industrial Revolution. In the coming 10-20 years, digital technology will fundamentally alter many parts of society from commerce to politics to culture.

Our purpose is not only to embrace this change, but to proactively create change and welcome a better future for Pakistan.

Progress is not without challenges, but we are ready to be the innovator in this era and we are dedicated to overcome any challenges on the way."

Our Six Aspirations to lead Pakistan into the Digital Era by 2022:

- 1 As the market leader, we will continue to **drive 100%+ annual growth** of the e-commerce market for the next 4 years.
- 2 Reach **200,000 active Daraz sellers** (all educated through Daraz University).
- 3 Engage **25 million Daraz users** monthly by being relevant, convenient and service-minded.
- 4 **Create 1 million jobs** for marketplace participants.
- **5** Fully digitalize the logistics ecosystem with real-time visibility for customers regardless of location.
- 6 Introduce digital payments to 10 million new customers.

"This also requires an adjustment to our Values."

A small change with with huge implications and responsibility."
